

Public and Private Sector Seminar

As part of the Los Angeles County Operational Area 2012-2013 Emergency Exercise Program, the Office of Emergency Management is pleased to offer an interactive seminar focused on communications and information sharing between private and public sector stakeholders throughout the Los Angeles County Operational Area (LACO) during disaster and non-disaster operations.

The purpose of the Seminar is to enhance LACO awareness and understanding of how emergency management offices through the operational area will communicate and share information business and industry stakeholders. It will also explore how business and industry stakeholders can communicate and share information among themselves.

This seminar will be conducted in a no-fault, learning environment. Throughout the seminar discussions, open discussion will be encouraged since there will be no right or wrong responses. Decisions made during the seminar are not precedent setting and may not reflect your organization's final position on a given issue.

Space for this seminar is limited. Registration deadline is February 14, 2013 or when filled.

If you have any questions or concerns, please feel free to contact BICEPP (213.386.4524 or info@bicepp.org) or Jon Stewart (703.849.0462 or jstewart@dewberry.com).

Light refreshments will be served during registration. Parking will be free for participants who register in advance.
